

Over You

Sheryl Crow

I feel like cherry wine
Like Valentines
Like a spring is coming
And everything is all right
'Cause I've got a love that's new
I hear you're happy too
That's the way it should be
But lately I feel like cryin'
I wanna get over you
But you're everywhere
I just can't get away
I gotta get over you
'Cause it's just not fair
That I, I still see your face
I heard your name today
I walked away
'Cause everyone's still talkin'
I don't need that in my life
Got better things to do
Than worry about you
I'm gonna keep on walkin'
But sometimes I, I don't know why
I wanna get over you
'Cause you're everywhere
An' I just can't get away
I gotta get over you
'Cause it's just not fair
That I see your face

Well we had a good time
But time goes on
You didn't really want me
'Til I was gone
I wanna get over you
Before you get over me
Over me
I wanna get over you
But you just won't let
An' I get away

I gotta get over you
But I can't forget the face
That I said, still ring in my head
I wanna get over you
But you're always out there
An' I, I just can't get away
Gotta get over you
I gotta get over you
'Cause it's so unfair
That I still can see your face
Ohh ooo, ooo
Ooo, ooo
I'm gonna walk into your house someday
Tell you that your never gonna make mistake
