

Walking Through Barbed Wire

Papa Roach

Wish I could see you for one last time wish I could say good bye to you

It's hard to deal with you dying

It's time to say goodbye to you

Bloody faced kissing death walking through barbed wire I'll let you go let me go digging through myself I
would die die for you I'd walk through barbed wire I blame myself for your death it's tearing me apart I would
die die for you yes I would let you go let me go digging through myself bloody faced kissing death walking
through barbed wire
