

# I Believe (Radio Edit)

[Diana DeGarmo](#)

Have you ever you ever reached a rainbow's end  
And did you find your pot of gold  
Ever catch a shooting star  
And tell me how high did you soar  
Ever felt like you were dreaming  
Just to find that you're awake  
And the magic that surrounds you  
Will lift you up and guide you on your way I can see it in the stars across the sky  
Dreamt a hundred thousand dreams before  
Now I finally realize  
See I've waited all my life for this moment to arrive  
And finally  
I Believe When you look out in the distance  
You see you never was at fault no  
Heaven knows of your existence  
And lets you to be everything you are  
Oh there's a time for every soul to fly  
It's in the eyes of every child  
It's that hope that love can save the world  
And oh we should never let it die I can see it in the stars across the sky, yeah  
Dreamt a hundred thousand dreams before  
Now I finally realize  
See I've waited all my life for this moment to arrive  
And finally, oh I believe in the impossible  
If I reach deep within my heart  
Overcome any obstacle  
Won't let this dream fall apart  
See I strive to be the very best  
Shine my light for all to see  
Cause anything is possible  
When you believe I can see it in the stars across the sky, ohh Yeah  
Dreamt a hundred thousand dreams before  
Now I finally realize  
I've waited all my life for this moment to arrive  
And finally I believe Finally I believe  
Yes I believe
