

Being Evil Has a Price

Heavy Young Heathens

Is this the golden man that I run through?
If I could give my thoughts across to you.
A million dollars for your sorrow now you're paying for it Think twice, being evil has a price.I hear a lot of
little secrets. Tell me yours, and I'll keep it.
You wanna know my name by now.
Better think twice, 'cause being evil has a price.I start to wonder: is this real life?
Throw out a candle, turn out the light.
The cause of morals make you feel like you're better than it Think twice, being evil has a price.I hear a lot of
little secrets. Tell me yours, and I'll keep it.
You wanna know my name by now.
Better think twice, 'cause being evil has a price.
I got a nasty reputation, nor I feel the hesitation.
Better think twice. 'Cause being evil has a price.Being evil has a price.I hear a lot of little secrets. Tell me
yours, and I'll keep it.
You wanna know my name by now.
Better think twice, being evil has a price.
I got a nasty reputation, nor I feel the hesitation.
You better think twice. 'Cause being evil has a price.'Cause being evil has a price.
