

Girls and Boys

Good Charlotte

Street's like a jungle
So call the police
Following the herd
Down to Greece, on holiday
Love in the Nineties, is paranoid
On sunny beaches take your chances
Looking for
Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone, you really love
Avoiding all work
'Cos there's none available
Like battery thinkers count your thoughts
On one, two, three, four, five fingers
Nothing is wasted only reproduced
You get nasty blisters
Du bist sehr schen
But we haven't been introduced
Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone, you really love
Girls who are boys

Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone to really love
Looking for
Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone, you really love
Girls who are boys
Who like boys to be girls

Who do boys like they're girls
Who do girls like they're boys
Always should be someone, you really love
Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone, you really love
Girls who are boys
Who like boys to be girls
Who do boys like they're girls
Who do girls like they're boys
Always should be someone to really love
