

I Want You

[Madonna](#)

I want you the right way
I want you but I want you to want me too
Want you to want me, baby
Just like I want you I'll give you all the love, I want in return
But half a love is all I feel, sweet darling
It's too bad, it's just too sad You don't want me no more
But I'm gonna change your mind
Someway, somehow
I want you the right way
I want you but I want you to want me too
Want you to want me, baby
Just like I want you One way love is just a fantasy
To share is precious, pure and fair
Don't play with something You should cherish for life
Oh baby, don't you wanna care?
And ain't it lonely out there? I want you the right way
I want you but I want you to want me too
Want you to want me, baby
Just like I want you I want you the right way
I want you but I want you to want me too
Want me, baby, just like I want you
I want you, the right way
Want me, baby
Don't play with something
You should cherish for life
