

# I Keep Looking

Sara Evans

Back when I was young, couldn't wait to grow up  
Get away and get out on my own  
And looking back now ain't it funny how  
I've been trying to get back home, yeah  
When my low self-esteem needs a man-loving me  
And I find me a perfect catch  
Then I see my friends having wild weekends  
And I don't wanna be quite so attached  
Just as soon as I get what I want, I get unsatisfied  
Good is good, but could be better  
I keep looking, I keep looking for  
I keep looking for something more  
I always wonder what's on the other side  
Of the number two door  
I keep looking  
Looking for something more  
Well the straight-haired girls, they all want curls  
And the brunettes wanna be blonde  
It's your typical thing, you've got yin, you want yang  
It just goes on and on  
They say, "Hey! It's only human to never be satisfied"  
Well I guess that I'm as human as the next one, oh  
I keep looking, I keep looking for  
I keep looking for something more  
I always wonder what's on the other side  
Of the number two door  
I keep looking  
Looking for something more  
Just as soon as I get what I want I get unsatisfied  
Hey, good is good, but could be better  
I keep looking, I keep looking for  
I keep looking for something more  
I always wonder what's on the other side  
Of the number two door  
I keep looking  
Looking for something more  
Oh, I'm looking for something more  
(I keep looking, I keep looking, I keep looking)  
Yeah

(Oh I keep looking, keep looking, I keep looking)  
Yeah, I'm looking for something more  
(Oh I keep looking, I keep looking, I keep looking)

...
