

# Little Birds

## Dead to Fall

Little birds are singing all around me, on every bush and vine,  
My pleasures would be doubled if I could call you mine.  
As I've sat here the whole night through till now it's a breakin' day,  
I'm awaitin' for an answer, kind lady what do you say?  
If I could tell to you my mind, I would choose a single life,  
For I would never thought that it suited for me to be your wife.  
So he wrote to her an answer and he sent it by full speed,  
"You know I once did love you dearly, I once loved you indeed.

"But since that time my mind has changed, I loved another way,  
I love a pretty fair damsel more suitable for me"  
And it had not been, but a very short time 'til this maiden's mind did change,  
She wrote him a letter, "Kind sir I am ashamed,  
"If ever I have slighted you, or ever done you wrong,  
I am so far away from you that I can't hear you moan"  
Little birds are singing all around me, on every bush and vine,  
My pleasures would be doubled if I could call you mine;  
My pleasures would be doubled if I could call you mine
