Time For You To Go

[Sum 41](Sum 41)

Going in alone
Did my time and now I'm done, it's so easy
All the faces that I see
Don't mean anything at all to me
But you've got me going now
Out of my mind
And it's a hell of a time, yeah
I don't wanna say what I don't mean
But I'm trying just to let you know
That I don't wanna cause a scene
But I'm sorry, girl, it's time for you to go
I'll tell you everything
That you know you never wanna hear 'cause it's true
I'd give you all I've got
But there's nothing there that you could use
But you've got me going now
Out of my mind
And it's a hell of a time with you now, yeah
I don't wanna say what I don't mean
But I'm trying just to let you know

That I don't wanna cause a scene
But I'm sorry, girl, it's time for you to go
I don't wanna say what I don't mean
But I'm trying just to let you know
That I don't wanna cause a scene
But I'm sorry, girl, it's time for you to go
I'll tell you anything
That you know you never wanna hear 'cause it's true
I'd give you all I've got
But I'm the only thing you'd use so you've got me going
I don't wanna say what I don't mean
But I'm trying just to let you know
That I don't wanna cause a scene
But I'm sorry, girl, it's time for you to go
I don't wanna say what I don't mean
But I'm trying just to let you know
That I don't wanna cause a scene
But I'm sorry, girl, it's time for

Sorry, girl, it's time for
Sorry, girl, it's time for you to go
