Spellbound

Katie Melua

I heard that lately
Gone through a mysterious change
People say you?re secretive
And you?ve been acting strange
They say there?s magic afoot
Stay away, they all warn
But to me you were magical
From the day that you were born
I have become spellbound, spellbound
You?ve lifted me up high
You know I don?t know how to get down
No, I don?t know how to get down
You?re very different
You are so rare
Some kind of witchcraft
Is flying through the air

I?ll admit I can?t explain
Why I feel how I do
So you must have cast a spell
That?s why my life feels new
I have become spellbound, spellbound
You?ve lifted me up high
You know I don?t know how to get down
No, I don?t know how to get down
I have become spellbound, spellbound
You?ve lifted me up high
You know I don?t know how to get down
No, I don?t know how to get down
No, I don?t know how to get down
No, I don?t know how to get down
