Suffer For Love

Mutya Buena

Has love lost its meaning?
Am I destined not to feel it?
Baby, I have
And I just don't know it when I'm in itIs it me to blame
I really need to change
This pattern I'm seeing
I don't wanna be inWhy I gotta mess it up
And get it wrong
Like some kind of curse
OoohWhy do I have to suffer for love
Suffer for love
I've given it everything
Still it ain't happening
I'm sick of it all
What does it want
It's asking too much
I'm a sucker for a suffer for love (yeah)I wanna be happy
I wanna be laughin'
Just like all the people that I see up in the movies
So I'm gonna take chances
And I'm gonna make the difference
Coz Cupid's got to put me in loveI keep on trying but I don't know how it works
There's no instruction so I keep on getting hurt
Over again, over again, over and over and over againI keep on trying but I don't know how it works
There's no instruction so I keep on getting hurt
Over again, over again, over and over and over againWhy do I have to suffer for love
Suffer for love
I've given it everything
Still it ain't happening
I'm sick of it all
What does it want
It's asking too much
I'm a s...Why do I have to suffer for love
Suffer for love
I've given it everything
Still it ain't happening
I'm sick of it all
What does it want
It's asking too much

I'm a sucker for a suffer for love (oh yeah)
