

# Chip Diddy Chip

## Chipmunk

Dear, I love music baby  
There goes the kiss because shes my lady  
But everybody wants to try me lately  
So I'm easin' of the bus n peddle biking lately  
See music it brings me haters  
Haters got wifey's they bring me papers  
And the mummies do love these MC  
So the apple doesn't fall to far from the tree  
I'm movin' up so I'm celebratin'  
The girls of the brain but I'm educated  
Thanks for always I'm elevatin'  
So me n roll hype get segregating  
I live a love with a best it's blatant  
Ma watch said there ain't time for haters  
So if u look for trouble no I ain't into that  
I'm just a cool dude out for papers My names Chip Diddy Chip  
I don't ever tolerate lip diddy lip  
I don't play around I'm just trying to do my music  
But say the wrong thing 'n I'll flip diddy flip  
Some say it's luck but I don't give a shit  
Wave to my haters like see you at the top  
I'm the best in the biz right next to the kid  
Everybody say my name now Chip Diddy Chip There like chips hes a swagger done  
Annoys the haters like a tag along  
E2 'cause he knows I'm not havin' none  
If you're cool I'm cool we can get along  
Different day same issue you know what I'm on  
No one ain't eatin' if Chippy ain't gettin' none  
They can have half a pie if I'm gettin' one  
But once I've ate mine everybody's gettin' some  
'Cause you know just how I stay  
If you help me eat mine you get paid  
A new law over time you no what they say  
Chipmunk's too cold no you don't say I drink tea like music pays  
It's like more more money more haters hate  
I'm in the studio from day to day  
It's like work work work they can't knock the raise  
A clever man tried bumpin' me  
But ain't stupid you can count my ass Yo class let me have your attention

Settle down everyone to their seats  
Calm down, calm down, calm down  
I've got your test results  
Some of you have done very well  
You with the bunches straight A star  
Some of you have done very badly  
Reach thirty-two out of a hundred son  
Chipmunk what have you got to say for your self My name's Chip Diddy Chip  
I don't ever tolerate lip diddy lip  
I don't play around I'm just trying to do my music  
But say the wrong thing n I'll flip diddy flip  
Some say it's luck but I don't give a shit  
Wave to my haters like see you at the top  
I'm the best in the biz rite next to the kid  
Everybody say my name now Chip Diddy Chip And ain't nobody floppin' me  
Check the YouTube, everybody's watchin' me  
I do the damn thing properly  
I say turn left 'n everybody follows me  
The A and R's all want my property  
I don't watch face but everybody's flockin' me  
Yes I am Chipmunk there's no other me  
See me 'n it look like I'm talkin' to my self  
Look I'm only spittin' bars man please don't bother me  
Once a son ain't nobody hot for me  
Past the moon ain't a star that's the other me  
The other stars make room  
When I'm coming through beside bars  
I'm in control of the galaxy  
I don't play no games so don't challenge me  
These youths are just nokin' my salary  
I love bars like I need more calories  
It's kinder garden and same ain't ready for the parody  
Yeah look the stars here please  
P-S give me a drum roll please My name's Chip Diddy Chip  
I don't ever tolerate lip diddy lip  
I don't play around I'm just trying to do my music  
But say the wrong thing n I'll flip diddy flip  
Some say it's luck but I don't give a shit  
Wave to my haters like see you at the top  
I'm the best in the biz rite next to the kid  
Everybody say my name now Chip Diddy Chip My name's Chip Diddy Chip  
I don't ever tolerate lip diddy lip  
I don't play around I'm just trying to do my music  
But say the wrong thing n I'll flip diddy flip  
Some say it's luck but I don't give a shit

Wave to my haters like see you at the top  
I'm the best in the biz rite next to the kid  
Everybody say my name now Chip Diddy Chip
