I Don't Go For That

Jimmy Reed

Whoa you know baby, I don't go for that
Whoa you know baby, I don't go for that
I'm gonna pack up girl, an'I'm gone leave you flatWell, ya leave in the mornin', stay out all day long
Oh, ya leave in the mornin', stay out all day long
Well, tellin' you baby, why don't you come on homeYou oughta tell me baby, tell me what ya gonna do
You oughta tell me baby, tell me what ya gonna do
You better take it easy girl, if you don't I'm, through wit' you
