

# Got No Place To Go

## Hieroglyphic Being

Fuel can take a minute to light  
Wonderland ain't built in a night  
Two can burn a bridge in a day  
Now one of us is walking away  
Don't believe the stories you're told  
Not everything that glitters is gold  
Love is just a word that we say  
Now, one of us is walking away  
                  Away, away  
And I, I got no place to go  
Yeah, I hate it when I am feeling cold  
                  Only get it when I'm feeling low  
Way back then my soul brother was my home  
                  There's a caterpillar in my soul  
So what you get when you don't get no  
                  Honey's only sweet as the bee  
Who only ever takes what he needs  
And deserts need the sun and the rain  
'Cause pleasure only comes after pain  
Fuel can take a minute to light  
Wonderland ain't built in a night  
Two can burn a bridge in a day  
When one of us is walking away  
                  Away, away  
And I, I got no place to go  
Yeah I hate it when I am feeling cold  
                  Only get it when I'm feeling low  
Way back then my soul brother was my home  
                  There's a caterpillar in my soul  
So what you get when you don't get no  
                  And I, I got no place to go  
Yeah I hate it when I am feeling cold  
                  Only get it when I'm feeling low  
Way back then my soul brother was my home  
                  There's a caterpillar in my soul  
So what you get when you don't get no  
                  Ooh stop, I'm breaking, breaking up  
                  Oh too hot, baby, had enough  
                  And I, I got no place to go

Yeah, I hate it when I am feeling cold  
Only get it when I'm feeling low  
Way back then my soul brother was my home  
There's a caterpillar in my soul  
It's what you get when you don't get no
