# I Got Drunk

## Uncle Tupelo

Advisory - the following lyrics contain explicit language:

Well I took a fifth and I poured me a shot
And I thought about all the things that I haven't got
And I drank that down, I poured me some more
Kept drinking and pouring till I felt the floorI got drunk and I fell down
I got drunk and I fell downAnother slow day in this damn town
Keep asking yourself, why am I still hangin' around?
You spend half your time just staring into a beer
Oh what you need, you know, you can't find hereI got drunk and I fell down
I got drunk and I fell downWell I took a fifth and I poured me a shot
And I thought about all the things that I haven't got
And I drank that down and I poured me some more
Kept drinking and pouring till I felt the floorI got drunk and I fell down
I got drunk and I fell downI got drunk and I fell down
I got drunk and I fell down
