## Joe Budden

AYOOOOOOOOOOO!!!![Chorus 1: Nate Dogg]

Come quick, see  
If you have a way wit' me  
I know you wanna play me  
All night, night, niiiiiiiight  
Girl look, see  
Everything in the club is free  
That's how it is when you wit' an O.G  
Wit' big money  
Girl we gon' leave

Right after this party[Verse 1: Joe Budden]

One, two, three and to the fo'  
Tell me what's good y'all its ya boy Joe  
No need to answer y'all already know  
Plenty fifths of Vodka, few jars of dro  
I give a fuck if they play this on the radio  
G'z in the buildin' its all gravy though  
I jus came for a lil bit fellatio  
'Cause twenty five to one is the ratio  
Got cops outside, "Like nah this can't be"  
No need to ice grill we all family  
We all got cash, none of us iz punks  
But my rachet on me, yours iz in the trunk  
Think that through fam, minds well quit here  
Cause you won't get a chance to get there  
Now lets ride!  
Baby lets slide!  
If you wan' ride!  
Car iz out side!

Gangstaz lets ride![Chorus 2: Nate Dogg w/ (Joe Budden)]

This is a gangsta party(Uh, uh)  
We came to smoke in this party(Ok)  
Lets get it crunk in this party(Oh)  
We (Whoa)came (Whoa)to drink in this party(Whoa)  
What's up but after this party(What's good?)  
We came to leave wit' somebody  
(How about yo' team, meet up wit my team and I'ma show y'all how gangstaz lean)

 Leave wit a G, what harm'll do ya  
 Won't dim the lights and throw on some Luther  
 Legs behind, head in the headboard calm and soother
