

# Intro

## Baby Bash & Jay Tee

It's the unsung hero

Latino Robert DeNiro

Fly (?) in your life

Fly (?) in your life

Fly

Welcome to Bashtown, where we put that smash down

The corporation up, ready when the music blast now

{Nigga} I ain't no class clown

I'm just a cash cow

It's Dope House, Latino Velvetism trapped out

Cause I'm a ice breaker

And I'm a odds maker

And I'm a law breaker, jaw breaker, a salt shaker

And that's a hater {hoe}

If you think that's the way to go

Bet you hate yourself too, livin' so deflatable

And I don't need a goon

To hit you with the doom

To bust you in the {pussy} mouth and pop, your balloon

I'm so definitive

Game tight is what I give

The way I kept this {bitch}, finnin' show you how I live

I'm on the next flight

Smokin' on kryptonite

They try to hold the Mexi down, but we gon' get it right

I got some SPM

I got some new Lucky

Some sick Stooie Bros. {shit}, now you gon' really love it

[Refrain: {slowed down}]

So we gon' hold it how we fold it, stack it til the end

Some say "What's upper" to a player made Mexican

So we gon' hold it how we fold it, stack it til the end

Some say "What's upper" to a player made {Mexican...}
