

# Passing Time

**Danielle French**

Well I finished fooling around  
With you pretty mama  
Finished fooling around with you  
No more wasting my time  
No more standing in line  
And I'm shiftin' on back  
To where I came from  
{Chorus}:  
You know I heard it in the news  
And it gave me the blues  
You know it ain't right

People are fighting every place I look People uptight everywhere  
And I'm shiftin' on back  
To where I once came from  
Ain't no lie, ain't it too bad mama  
Too bad you're gonna cry  
{Chorus}  
Ain't no lie, ain't it too bad mama  
Too bad you're gonna cry
