Wait

Crwn & Jess Connelly

Boy I got a lot in my life and I,
just don't know what to say to you
if you could maybe prove you do shitthen I won't ever mean to lose it I dont
mean to say this but i'll be on the road
and you make me so impatient and you
be getting old and after everything I do
everything be true everything I do, I do
it all for you and you say that you want
me to stay and you want me to wait here
and I don't wanna do this no more and I
stay and I patiently wait while you watching
me cave in no I don't wanna do this no more
you say and I don't wanna do this no more you
say no I don't wanna do this no more you say
you care for me I hate when you only frustrate
me by going away when i'm lonely it pays to get
on it I made you I know it and look how you
gon' throw it away I dont mean to say this
but i'll be on the road and you make me so
impatient and you be getting old and after
everything i do everything be true everything
i do, i do it all for you and you say that
you want me to stay and you want me
to wait here and I don't wanna do this
no more and I stay and I patiently wait while
you watching me cave in no I don't wanna
do this no more you say and I don't wanna do this no more you say no I don't wanna do this no
more and you say that you want me to
stay and you want me to wait here and i
don't wanna do this no more and I stay
and I patiently wait while you watching me
cave in no I don't wanna do this no more
and you say that you want me to stay
and you want me to wait here and i
don't wanna do this no more and I
stay and I patiently wait while you
watching me cave in no I don't wanna do this no more
