

Miss You Like Crazy

Natalie Cole

Even though its been so long
My love for you keeps going strong
I remember the things that we used to do
A kiss in the rain till the sun shined through
I try to deny it but I'm still in love with you I miss you like crazy, I miss you like crazy
Ever since you went away every hour of every day
I miss you like crazy, I miss you like crazy
No matter what I say or do, there's just no getting over you I can see the love shining in your eyes
And it comes as such a sweet surprise
If seeing's believing its worth the wait
So hold me and tell me its not too late
We're so good together, we're starting forever now And I miss you like crazy, I miss you like crazy
Ever since you went away, every hour of every day
I miss you like crazy, I miss you baby
A love like ours will never end
Just touch me and we're there again Just one night and we'll have that magic
Feeling like we used to do
Hold on tight and whatever comes our way
We're gonna make it through
If seeing's believing its worth the wait
So hold me and tell me its not too late
We're so good together, we're starting forever now And I miss you like crazy, I miss you like crazy
No matter what I say or do there's just no getting over you
And I miss you
(Baby)
I miss you
(Baby)
All the tender love you gave me
When a feeling gets this strong
You know the real thing come along And I miss you, I miss you like crazy baby
Only you're sweet love can save me
I miss you like crazy, a love like ours will never end
Just touch me and we're there again
Miss you like crazy, I miss you like crazy
No matter what I
