Miss You Like Crazy

Natalie Cole

Even though its been so long

My love for you keeps going strong

I remember the things that we used to do

A kiss in the rain till the sun shined through

I try to deny it but I'm still in love with youI miss you like crazy, I miss you like crazy

Ever since you went away every hour of every day

I miss you like crazy, I miss you like crazy

No matter what I say or do, there's just no getting over youI can see the love shining in your eyes

And it comes as such a sweet surprise

If seeing's believing its worth the wait

So hold me and tell me its not too late

We're so good together, we're starting forever nowAnd I miss you like crazy, I miss you like crazy

Ever since you went away, every hour of every day

I miss you like crazy, I miss you baby

A love like ours will never end

Just touch me and we're there againJust one night and we'll have that magic

Feeling like we used to do

Hold on tight and whatever comes our way

We're gonna make it through

If seeing's believing its worth the wait

So hold me and tell me its not too late

We're so good together, we're starting forever nowAnd I miss you like crazy, I miss you like crazy

No matter what I say or do there's just no getting over you

And I miss you

(Baby)

I miss you

(Baby)

All the tender love you gave me

When a feeling gets this strong

You know the real thing come along And I miss you, I miss you like crazy baby

Only you're sweet love can save me

I miss you like crazy, a love like ours will never end

Just touch me and we're there again

Miss you like crazy, I miss you like crazy

No matter what I
