

I Hate Myself and Want to Die

Nirvana

Runny nose and runny yolk
Even if you have a cold still
You can cough on me again
I still haven't had my fulfill

In the someday what's that sound?

Broken heart and broken bones
Think about some capsules of horse pills
One more quirky cliched phrase
You're the one I wanna refill

In the someday what's that sound?

Most people don't realize
That two large pieces of coral,
Painted brown, and attached to his skull
With common wood screws can make a child look like a deer
