

# Shame On You

Willie Nelson

Shame, shame on you  
Shame, shame on you  
You took my heart as a token  
When returned it was broken  
Had your face, shame on you  
Shame, shame on you  
Shame, shame on you  
You took my car and my money  
You done me wrong and that ain't funny  
Oh, it's me, shame on you  
Shame, shame on you  
Shame, shame on you  
Two can play your little game  
  
You'll find out who was to blame  
Don't you hide, shame on you  
Shame, shame on you  
Shame, shame on you  
Ran around with other guys  
Tried to lie when I got wise  
Foolish girl, shame on you  
Shame, shame on you  
Shame, shame on you  
Can you hold your head up high  
Look at friends right in the eye?  
No you can't, shame on you
