The Question is Why

Michael Franks

I've searched this whole wide world the earth's circumference crossed two times of threernstill solo I and the question is why won't you come to mern
I've sent an SOS in hopes you'd hear my heart's telepathyrnbut no reply and the questions still why won't you come to mern
I've hovered over each blossom comparing the nectar but now I'm a tired hummingbirdrn"Til i can call your sweetness all my own and fold my wings you'll see I'll shake the sky and never say die till you come to mern
I'll shake the sky and I'll never say die till you come to mernrn
I've hovered over each blossom comparing the nectar but now I'm a tired hummingbirdrn'Til I can call your sweetness all my own and fold my wings you'll seern
I'll shake the sky and never say die till you come to mern
I'll shake the sky and I'll never say die till you come to me
