

Lightnin' Bar Blues

Hanoi Rocks

Alright I don't need no diamond rings
I don't need no Cadillac car
I just wanna drink my ripple wine
Down in the lightnin' bar
In the lightnin' bar Well some men value fortune and fame
I don't care about none
I just wanna drink my ripple wine
I wanna have my good time fun
Have my good time fun I don't need no diamond rings
I don't need no Cadillac car
I just wanna drink my ripple wine
Down in the lightnin' bar
In the lightnin' bar Oh yeah, ooh Oh yeah, when I die don't bother me
Well, don't bury me at all
Just place my livin', lovin', laughin' bones
In a jar of alcohol
A jar of alcohol I don't need no diamond rings
I don't need no Cadillac car
I just wanna drink my ripple wine
Down in the lightnin' bar
In the lightnin' bar Everybody now
I don't need no diamond rings
I don't need no Cadillac car
I just wanna drink my ripple wine
Down in the lightnin' bar
In the lightnin' bar
In the lightnin' bar
