

# Promises

## Sanctus Real

Sometimes it's hard to keep believing  
In what you can't see  
That everything happens for a reason  
Even the worst life brings  
If you're reaching for an answer  
And you don't know what to pray  
Just open up the pages  
Let His word be your strength And hold on to the promises (Hold tight)  
Hold on to the promises (Alright)  
Jesus is alive so hold tight  
Hold on to the promises All things work for the good  
Of those who love God  
He holds back nothing that will heal you  
Not even His own Son  
His love is everlasting  
His faithfulness unending  
Oh, if God is for us who can be against us  
So if you feel weak Neither life, nor death  
Could separate us  
From the eternal love  
Of our God who saves us
