

# Broken

## 12 Stones

Alone again, again alone  
Patiently waiting by the phone  
Hoping that you will call me home  
The pain inside my love denied  
Hopes and dreams swallowed by pride  
Everything I need, it lies in you  
'Cause I'm broken, I know, I need you now  
Deep inside, I'm broken, you see the way I live  
I know, I know, your heart is broken when I turn away  
I need to be broken, take the pain away  
I question why you chose to die  
When you knew your truth I would deny  
You look at me, the tears begin to fall  
And all in all faith is blind  
But I fail time after time  
Daily in my sin I take your life  
'Cause I'm broken, I know, I need you now  
Deep inside, I'm broken, you see the way I live  
I know, I know, your heart is broken when I turn away  
I need to be broken, take the pain away  
All the hate deep inside, slowly covering my eyes  
All these things I hide away from you again  
All this fear holding me, my heart is cold and I believe  
Nothing's gonna change until I'm broken  
'Cause I'm broken, I know, I need you now  
Deep inside, I'm broken, you see the way I live  
I know, I know, your heart is broken when I turn away  
I need to be broken, take the pain away  
Broken, broken, broken, broken, broken
