

Two Weeks

Earl Greyhound

Save up all the days
A routine malaise
Just like yesterday
I told you I would stay
Would you always
Maybe sometimes
 Make it easy?
 Take your time
Think of all the ways
 Momentary phase
 Just like yesterday
I told you I would stay
 Every time you try
 Quarter half the mile

 Just like yesterday
I told you I would stay
 Would you always
 Maybe sometimes
 Make it easy?
 Take your time
 Would you always
 Maybe sometimes
 Make it easy?
 Take your time
 Always, sometimes
 Easy, time
