

Back In The Day

Local H

Well punk is dead
And yeah you're next
But it seems no one has told you yet
So hardcore
You must be sore
You come on like a major threat
Face I know you like it
Hard 'N' straight
Face Think I'll hang around and wait
Hey old school yeah you were cool
But that was back in the day
Well take a bow
Harder than thou
You scream "Guilty" like a Judge on high
Well beat them back
The New Jacks
More than music it's a way of life
Face
