

# DON'T BREAK MY HEART(shabzendeha.blogfa.com)

## Vaya Con Dios

Sometimes I feel so empty  
So deserted and so lonely  
And no one can take that pain away  
Don't break my heart  
The anger and the fury  
And the fears living inside me  
Should you love me  
Would you love them just the same  
Don't break my heart  
Don't break my heart  
I've been strong and brave  
Sometimes I lost my faith  
And too many times  
Threw caution to the wind  
So if you tried to understand me  
Would you crucify or damn me  
Or stand by me  
Like smoke around the flame  
Don't break my heart  
Don't break my heart  
I've been strong and brave  
Sometimes lost my faith  
And so many times  
Saw love come to an end  
It's not a question of pride  
It's not the tears that I've cried  
It's not a question of pride  
Don't break my heart  
Don't break my heart  
I've been strong and brave  
Sometimes lost my faith  
And so many times  
Saw love come to an end  
It's not a question of pride  
It's not the tears that I've cried  
It's not a question of pride
