

# Take Me To The River

Al Green

I don't know why I love you like I do  
After all these changes that you put me through  
You stole my money and my cigarettes  
And I haven't seen hide nor hair of you yet I wanna know  
    Won't you tell me  
    Am I in love to stay?  
    Hey hey  
    Take me to the river  
    And wash me down  
    Won't you cleanse my soul  
Put my feet on the ground I don't know why she treated me so bad  
    After all the things that we could have had  
    Love is a notion that I can't forget  
    My sweet sixteen I will never regret I wanna know  
    Won't you tell me  
    Am I in love to stay?  
Yeah yeah yeah yeah yeah Hold me, love me, please me, tease me  
    Till I can't, till I can't take no more  
Take me to the river I don't know why I love you like I do  
    After all the things that you put me through  
    The sixteen candles burning on my wall  
Turning me into the biggest fool of them all I wanna know  
    Oh won't you tell me  
    Am I in love to stay? I wanna know  
    Take me to the river  
    I wanna know  
    I want you to dip me in the water  
    I wanna know  
    Won't you wash me in the water  
    Wash me in the water  
    Wash me in the water  
    Won't you wash me in the water  
    Feeling good
