Electrical Storm (William Orbi

U2

The sea it swells like a sore head
And the night it is aching
Two lovers lie with no sheets on their bed
And the day it is breakingOn rainy days, we'd go swimmin' out
On rainy days, swimming in the sound
On rainy days, we'd go swimmin' outYou're in my mind all of the time
I know that's not enough
If the sky can crack
There must be some way back
For love and only loveElectrical storm, electrical storm
Baby don't cryCar alarm won't let ya back to sleep
You kept awake dreaming someone else's dream
Coffee is cold, but it'll get you through
Compromise, that's nothing new to youLet's see colors that have never been seen
Let's go to places no one else has beenYou're in my mind all of the time
I know that's not enough
Well if the sky can crack
There must be some way back
To love and only loveElectrical storm, electrical storm
Electrical storm, baby don't cryIt's hot as hell honey, in this room
Sure hope the weather will break soon
The air is heavy, heavy as a truck
Need the rain to wash away our bad luckWell, if the sky can crack
There must be some way back
To love and only loveElectrical storm, electrical storm
Electrical storm
Baby don't cry, baby don't cry
Baby don't cry, baby don't cry
