

# Electrical Storm (William Orbi

U2

The sea it swells like a sore head  
And the night it is aching  
Two lovers lie with no sheets on their bed  
And the day it is breaking On rainy days, we'd go swimmin' out  
On rainy days, swimming in the sound  
On rainy days, we'd go swimmin' out You're in my mind all of the time  
I know that's not enough  
If the sky can crack  
There must be some way back  
For love and only love Electrical storm, electrical storm  
Baby don't cry Car alarm won't let ya back to sleep  
You kept awake dreaming someone else's dream  
Coffee is cold, but it'll get you through  
Compromise, that's nothing new to you Let's see colors that have never been seen  
Let's go to places no one else has been You're in my mind all of the time  
I know that's not enough  
Well if the sky can crack  
There must be some way back  
To love and only love Electrical storm, electrical storm  
Electrical storm, baby don't cry It's hot as hell honey, in this room  
Sure hope the weather will break soon  
The air is heavy, heavy as a truck  
Need the rain to wash away our bad luck Well, if the sky can crack  
There must be some way back  
To love and only love Electrical storm, electrical storm  
Electrical storm  
Baby don't cry, baby don't cry  
Baby don't cry, baby don't cry
