

Dancing in the Dark

Kim Wilde

We were dancing
dancing in the dark Sweet romancing
something's gonna start. We were dancing.

He stepped into the night with his heart open wide I was standing there with nowhere left to hide.
He looked to me like a shadow moving in the night Then he took a hold of my hand in the soft moonlight.

And we were dancing
dancing in the dark

. . . I could hear his heartbeat pounding in the night I could feel his body starting to be kind.

With his soft red lips made up my mind His soothing kiss was all I desired.

And we were dancing
dancing in the dark.

We kissed and touched but it wasn't enough to stop this wheel of fire One step at a time and I knew he was
mine We were lost in the heat of desire.

And we were dancing
dancing in the dark

. . .

No way

no way at all to stop us moving closer Each look in his eyes made my heart beat in time Over and over and over
and over. And we were dancing

dancing in the dark

. . .

And we were dancing
dancing in the dark

. . .
