Drip

Superdrums

shout shout let it all out these are the things i can do without so come on im
talkin to you so come onyou know your beaten when your legs are stiff your lips are frozen i but a nut on your titschorus-
i will kill you i want to kill you get with her and then your dead i will
kill you i want to kill youcut off your not and glue them to your head your just insane i made your death bed...as i listen to the dripping water i make believe that i never forgot her
leaving me to burn in the fire as i listen to the dripping water(chorus)i am dead now your are dead now i am dead now we are dead now
