

# The Patient

## Tool

A groan of tedium escapes me  
Startling the fearful  
Is this a test? It has to be  
Otherwise I can't go on  
Draining patience, drain vitality  
This paranoid, paralyzed vampire act's a little old But I'm still right here  
Giving blood, keeping faith  
And I'm still right here But I'm still right here  
Giving blood, keeping faith  
And I'm still right here Wait it out  
Gonna wait it out  
Be patient (wait it out) If there were no rewards to reap  
No loving embrace to see me through  
This tedious path I've chosen here  
I certainly would've walked away by now Gonna wait it out If there were no desire to heal  
The damaged and broken met along  
This tedious path I've chosen here  
I certainly would've walked away by now And I still may, I still may Be patient  
Be patient  
Be patient I must keep reminding myself of this  
I must keep reminding myself of this  
I must keep reminding myself of this  
I must keep reminding myself of this And if there were no rewards to reap  
No loving embrace to see me through  
This tedious path I've chosen here  
I certainly would've walked away by now  
And I still may  
And I still may  
And I still may  
And I Gonna wait it out  
Gonna wait it out  
Wait it out  
Gonna wait it out
