

# Let's Work

## Mick Jagger And Dave Stewart

No sittin' down on your butt  
The world don't owe you  
No sittin' down in a rut  
I wanna show you Don't waste your energy  
On makin' enemies  
Just take a deep breath  
And work your way up Let's work, be proud  
Stand tall, touch the clouds  
Man and woman, be free  
Let's work, kill poverty  
Now work your way up Let's work, be proud  
Stand tall, touch the clouds  
Man and woman, be free  
Let's work, kill poverty You're sittin' down on your butt  
And you get greedy  
You start to lose your nuts  
Don't you look seedy  
Can generosity bring you humility  
So take a deep breath Ain't gonna sweat for you  
Ain't gonna sigh for you  
Ain't gonna cry for you  
If you're lazy Ain't gonna slave for you  
Ain't gonna hurt for you  
It just won't work for you  
If you're lazy  
Come on, come on, come on Let's work, be proud  
Stand tall, touch the clouds  
Let's work, let's eat  
Let's live in ecstasy  
Man and woman, be free  
Let's work, kill poverty Let's work, be proud  
Stand tall, touch the clouds  
Man and woman, be free Let's work, let's work  
Get down, get down, get down  
Get down in the dirt and let's work  
Get down in the dirt and let's work Get up, be free  
Get down in the dirt, let's work  
Get down in the dirt and let's work  
Get down in the dirt, take off your shirt

Get down in the dirt and let's workLet's work

Let's work

Let's work

Let's work

Oh yeah, oh yeah

Oh yeah, oh yeah
