

Cancel on Me

Bombay Bicycle Club

Cancel on me again
Oh cancel on me again
And it's not your fault
And again
No it's not your fault you said
Oh All the world has come to see the end
And you will never see this place again
And all the world has come to see the end
And you will never see my face again No it's not your fault and again
No it's not your fault you said
So cancel on me again
Oh cancel on me again
Oh And all the world has come to see the end
And you will never see this place again
And all the world has come to see the end
And you will never see my face again
(repeat) Dreaming of you pushing up to me
And I know where it's gonna lead
Dreaming of you rushing up to me
You know it's where you want to be Dreaming of you pushing up to me
And I know where it's gonna lead
Dreaming of you rushing up to me
That was the boy I used to be I'm dreaming of you rushing
I'm dreaming of you rushing
I'm dreaming of you rushing up to me
