

# The Prayer

## The Walls Group

Our Father, which art in Heaven  
Yeah, hallowed be thy name  
Thy kingdom come, thy will be done On Earth as it is in Heaven  
Give us this day our daily bread  
And forgive us our debts  
As well also have forgiven our debtors  
And lead us not into temptation  
But deliver us from evil  
God, believe it  
Deliver us from evil  
God, please deliver us from evil, oh oh oh  
And I know you can do it 'Cause thine is the kingdom  
The power and the glory forever  
Hey, yours is the kingdom  
The power, and the glory (forever) forever (yeah)  
And I know you can do it (Deliver us, Jesus)  
I know you can do it (Deliver us, Jesus)  
Said I know you can do it (Deliver us, Jesus)  
I thought you can do it (Deliver us, Jesus)  
God, I thought you can do it (Deliver us, Jesus)  
You have all power (Deliver us, Jesus)  
(Yeah) You got all power (Deliver us, Jesus)  
You get all power (Deliver us, Jesus)  
Said it's in your hands (Deliver us)  
Please (Deliver us)  
Give me peace on earth (Deliver us)  
You're the Great I Am (Deliver us)  
And you're the only who can save us (Deliver us)  
God, we're calling on you (Deliver us)  
'Cause you got all power (Deliver us)  
I said you got all power (Deliver us)  
Forever  
Ya  
You have all power, Jesus, he  
You are Messiah, yeah  
Oh oh oh, that's why we call on You  
Hosanna in the highest  
Our deliverer, yeah, strong tower  
Our mighty fortress, our reigning champion

You've never been defeated (yeah)  
Never ever been defeated (woah)  
God, I know you're listening (oh) Jesus, we come here with a belief  
That our dilemma is intentional, and we will achieve  
Freedom in the victory over our insecurities  
Our misery is prophecy fulfilled and molding us to be unique  
There are things the enemy thought should lessen who we believe  
Don't just deliver me, deliver we from depression  
And things that are temporary  
They crucified my Lord and Savior, pain's hereditary  
Understand that life is scary  
And we don't always know the power we possess  
We don't always represent You, wearing Christ across our chest  
Forgive us, Father God, for keeping Jesus to ourself  
And letting Satan trick us into thinking God is only worth a check  
Deliver us from acts of sexuality  
Awaken the minds of all your people sleeping on reality  
Deliver us from acts of blasphemy  
And us pretending that we can't control the sexual parts of our anatomy  
Lord, help us realize it's not us in control  
We stressin' 'bout which way to go, and truly only You know  
God, please save our souls  
Fill the void that can make us whole  
This is a cry for deliverance  
Oh God, please
