

# The Fan

## Little Feat

Heard you got an infection  
just before your lewd rejection  
wait'll the shit hits the fan  
you couldn't turn him down  
hold your address book above your knees  
and kissed your soft legs there  
he was on top of the pop stars  
you couldn't turn him down you were a sweet girl  
when you were a cheerleader  
but i think you're much better now  
bought a few reds from your neighborhood dealer  
and you passed out in the back of a car  
you were too messed up to climb out  
what if your old man had found out?
