

# Have Yourself a Merry Little Christmas

[Gloria Estefan](#)

Here we are as in olden days  
Happy golden days of yore Have yourself a merry little Christmas  
Let your heart be light  
From now on, our troubles will be out of sight  
Have yourself a merry little Christmas  
Make the yuletide gay  
From now on, our troubles will be miles away Here we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more Through the years we all will be together  
If the fates allows  
Hang a shinning star upon the highest bough  
And have yourself a merry little Christmas now Here we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more Through the years we all will be together  
If the fates allows  
Hang a shinning star upon the highest bough  
And have yourself a merry little Christmas now
