Wheels Of Fire

L.A. Guns

I've been dreaming 'bout this night
Praise the lord 2 make things right
Hold so tight 2 your embrace
Feel your breath against my face
Hey baby I've got plans 4 you
There ain't nothing I won't do
Set the spark that sets my soul on fire
I'll take you higher, higher, higher
I'm burning baby can't you see my heart's aflame
I'll be the one you call by name
There's no denying that you just take the pain
I'll never ever break the chain
Innocence fuels my desire
Wheels of fire
Darkness falls my blood starts racing
My heart's beating like a drum
Beating out like a jungle rhythm
4 beats 2 the bar
Falling down like thunder from heaven
Shooting star
I'm burning baby can't you see my heart's aflame
I'll be the 1 you call by name
There's no denying that you just take the pain
I'll never ever break the chain
Innocence fuels my desire
Wheels of fire
