Do that little thing you know I like  
Bend down and touch your toes Turn the lights down (Turn the lights down)  
Turn the lights down low

Baby girl, come close  
I wanna feel your body, oh, yes, I do  
Knock that phone off the hook  
See, we don't want no calls  
I wanna get it on right, right now with you, girl Makin' love all night long till the break of dawn (We  
can make love all night long)  
It goes on and on and on (It goes on and on)
