

Loco

Wolfsbane

Baby my truck is rolling,
my wheels are turning fast.
Won't you be my hitch hiker?
Climb aboard while you still can!

Darlin' this trucks a sly bitch,
I can't let it slow down.
I got dreams packed up and loaded and I'm headed out of town!

Baby the city's calling!
Ready for a guy like me!
See the pretty starlight twinkle like a poor boys fantasy.

Renegade! High Roller! I'm Loco, Loco - motion!

About the sweetest smile I've ever seen,
her eyes are shining there,
there for me!

Renegade! High Roller! I'm Loco, Loco - motion!

About the sweetest smile I've ever seen.
