

# Day in Day Out

[XTC](#)

Clock in my head  
Clock on the wall  
And the two of them  
Don't agree at all Friday is heaven  
Friday is heaven Day in, day out  
Day in Day in  
Wish you were here  
On the shop floor  
And day out  
And together we could  
Count the dots on the wall Friday is heaven  
Friday is heaven Day in, day out  
Day in Friday is heaven  
Friday is heaven Day in  
Day in  
Day out  
Day out Day in  
Day in  
Day out  
Day out Day in
