

# Tears Are Not Enough

[Bryan Adams](#)

as everyday goes by how can we close our eyes  
until we open up our hearts  
we can learn to share and show how much we  
care  
right from the moment that we start  
it seems like overnight we see the world in a  
different light  
somehow our innocence is lost  
how can we look away - 'cause every single day  
we've got to help at any cost  
we can bridge the distance only we can make  
the difference  
don't cha know that tears are not enough  
if we can pull together we can change the world  
forever  
heaven knows that tears are not enough  
it's up to me and you to make the dream come  
true  
it's time to take our message everywhere - you  
c'est l'amour qui nous rassemble  
d'ici a notre bout de monde  
lets show them canada still cares  
you know that we'll be there  
and if we should try - together you and i  
maybe we could understand the reasons why  
if we take a stand every woman child and man  
we can make it work for God's sake lend a hand
