# Any Way the Wind Blows

## Home Free

Baby, tonight
It's gentle and light
And coming from the restAnd girl yesterday
Nearly blew us away
Tomorrow's anybody's guessOh, you never know
Life's an uncertain road
Take ya high and take ya low
But don't you worry babyI'll go anywhere
As long as you're there
Any way the wind blowsI'll be by your side
For the rest of my life
Any way the wind blowsGirl I don't mind
Which zip code we find
Our mail delivered toIf I can wake up
With you, that's enough
Don't care about the latitudeOooh, you never know
Life's an uncertain road
Take ya high and take ya low
But don't you worry babyI'll go anywhere
As long as you're there
Any way the wind blowsI'll be by your side
For the rest of my life
Any way the wind blowsHold on baby
Hold on tight
I'm taking this ride with youI'm takin' this ride
I'm takin' this ride with youI'll go anywhere
As long as you're there
Any way the wind blowsI'll go anywhere
As long as you're there
Any way the wind blowsI'll be by your side
For the rest of my life
Any way the wind blowsI'll go anywhere
As long as you're there
Any way the wind blowsI'll be by your side
For the rest of my life
Any way the wind blowsI'll go anywhere
As long as you're there
Any way the wind blowsI'll be by your side
For the rest of my life

Any way the wind blowsI'll go anywhere
As long as you're there
Any way the wind blowsI'll be by your side
For the rest of my life
Any way the wind blows
