

How You Love That (feat. Meek Mill & 2 Chainz)

Red Cafe

How you love that, how you love that
I'm a bad motherfucker, how you love that
Eryday I'm doing me, how you love that
Keep a super bad bitch, how you love that How you love that, the mafia be thugging
30 deep shake down hit the panic button
Dial 911 it's an emergency
Eryday I'm shitting on this niggas certainly
Champagne flutes, convertible coupes
She attracted to the life, she serving the troops
Yeah I love them girls, but love my money too
So when she coming through I tell her bring my money too
I love my rose red, my diamond color blue
My car european, currency tangible
I got a lot of haters, they see me flying up
But I'm a gun them down, hurry and light them up
How you love that, how you love that
I'm a bad motherfucker, how you love that
Eryday I'm doing me, how you love that
Keep a super bad bitch, how you love that How you love that, how you love that
We the connect, so don't ask me where the plug at
Niggas be hating on me, I show them love back
But still they try to drag ma name, where tha mud at.
So on tha hipline, where tha snub at.
They say they gon murder me, well where the blood at
I leave them all wet, like where the tub at
She fucking the team, how you love that
I was dead broke, I had to fix that
Put ma cass on, like this tha getback
All ma bitches bad girls, miss Cat
It's a recession so you have to go for six stacks
How you love that, how you love that
I'm a bad motherfucker, how you love that
Eryday I'm doing me, how you love that
Keep a super bad bitch, how you love that When I think about rappers, I have premonitions
The only thing on my resume, it's the trap and the kitchen
I'm addicted to fast cars, money and bitches
Turn money all kind of ways, a hundred positions
Used to grind in apartments, fuck on the carpet.
All this ice on yeah my diamonds are conflict

My girl got a girl they claiming they partners
So tell your partner come over let's get this thang popping
If shawty got her uncle that deal with construction
That's bricks for you niggas that know you ain't hustlin.
I'm married to the game, no need to divorce it
Polo, Ralph Lauren, I'm covered in horses how you love that
How you love that, how you love that
I'm a bad motherfucker, how you love that
Eryday I'm doing me, how you love that
Keep a super bad bitch, how you love that
