

Can't Stop It

Bad Religion

I'm incurable but durable, it's easy to see
Lack of restraint is a complaint of those around me
I know that others postpone
Gratification, well, I lack that affectationLet's get it right
(Let's get it right)
There's no end in sight
And I, can't stop
(Can't stop)Can't stop it
(Can't stop)
Can't stop
(Can't stop)Can't stop shocking
But I just can't stop it
That's rightUncontrollable, I'm inconsolable
My pleasure center is the shelter for a reptile
I hate when I gotta tolerate
Frustration see I lack the motivationLet's set this straight
(Let's set this straight)
I never wait
And I can't stop
(Can't stop)Can't stop it
(Can't stop)
Can't stop
(Can't stop)Can't stop shocking
But I just can't stop it
That's right
