The Stars Are Bright

Zoot Woman

The Stars Are Bright
Now I know that the stars are bright Gonna hold you tight foreverDon't waste the days, don't waste the years
Don't try to understand how life appears Meanings are so hard to find
We don't really need a reason whyNow I know that the stars are bright Gonna hold you tight foreverHazy days of shining lights
Do not compare to all we have tonight We've changed the way we see the world Everything once dust has turned to goldNow I know that the stars are bright Gonna hold you tight forever
